

BRIGHT

- White LED in high mode provides 90 lumens
- Able to shine useable light on objects up to 72 meters away

VERSATILE

- Four light modes
 - High and low white
 - Red helps preserve night vision
 - Green enhances detail

CONVENIENT

- Discrete switches operate LEDs independently
- Large buttons are easy to operate, even when wearing gloves

WEATHERPROOF

- The light still operates after exposure to splashing water from any direction
- Stands up to rough weather

HD33ACE

The bright, weatherproof HD33ACE is a versatile solution for hands-free lighting both indoors and out. Variable light sources provide the right light for any job – high and low white for general illumination, red for preserving night vision, or green for examining details. A ratcheted tilt mechanism lets you aim the light accurately and the large, individual switches allow red and white and green LEDs to operate independently, even with gloved hands.

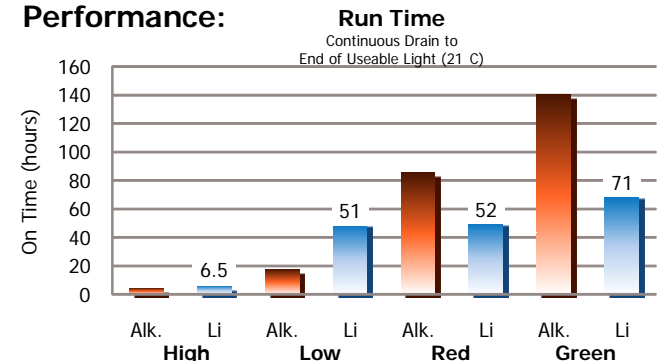

Before Using Your Flashlight:
Please read all instructions and cautionary markings on the package and light

Product Detail:

Designation:	Energizer Triple Beam LED Headlight
Model:	HD33ACE
Color:	Green and Black
Power Source:	Three "AAA"
ANSI/NEDA:	Series 24
Lamp:	One each White, Red and Green LEDs
Lamp Life (hr):	Lifetime
Lamp Output (lumens):	High - 90, Low - 46
Beam Distance (m):	High - 72, Low - 50, Red - 8, Green - 7
Peak Beam Intensity (cd):	High - 1,300, Low - 620 Red - 16, Green - 11
Run Time (h:mm):	High - 5, Low - 18, Red - 86, Green - 141
Typical Weight:	81 grams with 3 AAA batteries
Dimensions (mm):	32 x 38 x 65

Performance:

Tested according to ANSI/NEMA FL 1 Standards.
