

EHH2AACE

BRIGHT

- White LED provides 93 lumens in high mode

VERSATILE

- Four light modes
- High and low white
- Red helps preserve night vision
- Green enhances details

RUGGED

- Survives 2-meter drop test
- Large buttons are easy to operate with gloves on

WEATHERPROOF

- The light still operates after exposure to splashing water from any direction
- Stands up to rough weather

Weatherproof and sturdy, EHH2AACE is a versatile solution for personal lighting both indoors and out. Variable lighting sources provide the right light for any job – high and low white for general illumination, red for preserving night vision, or green for examining details. The light survives a 2 meter drop and the large, individual switches allow red and white and green LEDs to operate independently, even with gloved hands.

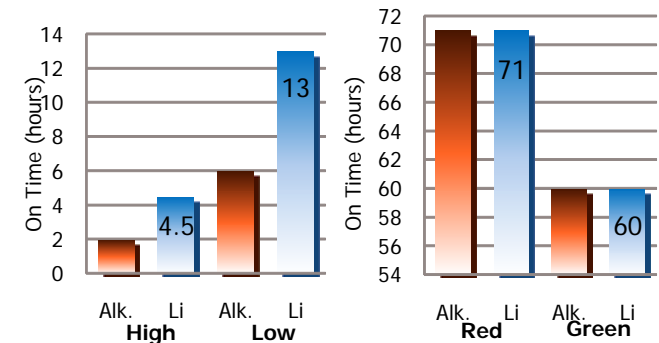

Before Using Your Flashlight:
Please read all instructions and cautionary markings on the package and light

Product Detail:

Designation:	Energizer Triple Beam LED Flashlight
Model:	EHH2AACE
Color:	Green and Black
Power Source:	Two "AA"
ANSI/NEDA:	Series 15
Lamp:	One each White, Red and Green LED
Lamp Life (hr):	Lifetime
Lamp Output (lumens):	High - 93, Low - 50
Beam Distance (m):	High - 110, Low - 84, Red - 8, Green - 10
Peak Beam Intensity (cd):	High - 3,100, Low - 1,800 Red - 18, Green - 28
Run Time (h:mm):	High - 2, Low - 6, Red - 71, Green - 60 with Energizer Max batteries
Typical Weight:	56.9 grams without batteries
Dimensions (mm):	33 x 136 x 29

Performance:

Run Time
Continuous Drain to
End of Useable Light (21°C)

Tested according to ANSI/NEMA FL 1 Standards.
